### Integrated Marketing Group 35000R

Integrated Marketing Group style 35000R is an **industry-strength heavyweight fiberglass fabric**, made with a plain weave and dyed orange. This versatile fabric is available in two high-quality finishes: **loom state, or a very light clear acrylic coating**. The uniquely-designed light acrylic coating is applied in order to **reduce raveling and fraying of cut edges**. This powerful fabric was specially designed for use in areas where a heavyweight fabric with high heat resistance is required.
